Oneida-Herkimer Solid Waste Authority and Senator Joseph Griffo Announce Annual Earth Day Event

This year marks the 49th annual Earth Day when people from across the Country join together to participate in events that help improve and protect our environment. In celebration of Earth Day 2019, the Oneida-Herkimer Solid Waste Authority (Authority) is partnering with State Senator Joseph Griffo to host its annual Earth Day events on Saturday, April 13th.

The Authority will hold its annual Earth Day events at the Oneida-Herkimer Recycling Center, Leland Avenue Extension, Utica, on Saturday, April 13th as follows:

10:00 AM – 2:00 PM

- **Free Confidential Paper Shredding** in cooperation with CONFIDATA—There will be a limit of three (3) boxes of papers/documents per vehicle. Businesses and professional offices are not eligible to participate in this event. Computer discs, tapes and other recording media will also be accepted but must be separated from the paper. All material will be immediately shredded and placed in a collection vehicle for recycling. Residents do not need to remove their name or other personal information from the documents.
- **Free Collection & Disposal of Unused Medication and Pharmaceuticals** in cooperation with NYS Department of Environmental Conservation Police Officers (ECOs) and the Oneida County Sewer District —Accepted items include expired or unwanted prescriptions/medications (liquid, pill or powder form), over the counter medications, vitamins/supplements and veterinary/pet medications. If you are unable to attend this event, residents may deliver pharmaceuticals to numerous permanent locations for disposal. Visit www.ohswa.org for a list of locations.

Additionally, the programs listed below are offered year-round and will be accepted on April 13th.

- **Electronics Drop-Off** – Residents can drop off electronic waste such as TVs, computers and video game consoles at no charge. ***This program is offered year-round.*** Visit www.ohswa.org for a full list of acceptable items.
- **Bulky Rigid Plastics Drop-Off** – Residents can deliver bulky rigid plastic items that **cannot** be accepted and recycled through curbside recycling at **no cost**. Bulky rigid plastics are hard plastic items (not film or flexible plastic) such as clean plastic drums, totes and empty garbage cans, clean buckets/pails, plastic toys (i.e. playhouses), plastic lawn furniture and coolers, plastic pallets and shelving, plastic laundry baskets and plastic recycling bins & carts. Bulky rigid plastics cannot be mixed with other plastic recyclables and cannot be set-out with regular curbside recyclables. ***This program is offered year-round.***
- **Household Hazardous Waste Drop-Off** – Residents can drop off household hazardous waste such as paint and chemicals at no charge. ***This program is offered April 1st – September 30th each year.***
