SOLID WASTE & RECYCLING COLLECTION

Beginning January 1, 2015, the New York State Electronic Equipment Recycling and Reuse Act will prohibit all households and generators of electronic waste from disposing of electronic waste such as computers, computer peripherals, televisions and other electronic devices as garbage.

However, City of Utica residents will be permitted to set out electronic waste at the curb as their weekly bulk item. There is a limit of one (1) bulk item per week, per building. Bulk items that are electronic waste will be collected for proper recycling.

ELECTRONIC WASTE CANNOT BE PLACED IN YOUR CURBSIDE RECYCLING CONTAINER.

Residents may also deliver electronic waste to the Oneida-Herkimer Solid Waste Authority's Residential Convenience Station located at 80 Leland Avenue in Utica Monday-Friday from 8:00 am - 4:00 pm and Saturday from 7:00 am - 2:00 pm. Acceptable electronics may be delivered to the Authority's Utica facility year-round, free of charge.

As of January 1st, these items can no longer be placed in your trash.

ITEMS THAT SHOULD NOT BE PLACED IN YOUR RECYCLING BIN

Packaging Styrofoam – If you have large pieces of Styrofoam, it should be placed in a metal/plastic trash can.

Windows, Mirrors, Flat Glass & Broken Glass – Window panes, flat glass, broken glass and mirrors should be placed in a rigid trash can (NOT in your Orange/Recycling Container) for collection. Framed glass and mirrors may be placed at curbside for collection only if marked with a distinct “X” of masking tape across the glass/mirror to prevent shattering during the handling and disposal.

Paint Cans – Paint cans are NOT recyclable. Empty or dried paint cans must be placed in your Blue Bag. If you have paint that you need to dispose of, you can deliver the paint cans to the Authority’s Household Hazardous Waste Collection Facility from April through September.

Coat Hangers – Place in your Blue Bag.

Plastic Toys – Place in your Blue Bag. Toys that are too large for the Blue Bag may be placed at the curb as trash.

Residents should handle the bulbs safely and dispose of them by delivering them to the Authority’s EcoDrop Utica or EcoDrop Rome Facilities. Fluorescent bulbs are accepted year round. If you are unable to deliver your bulbs to the an Authority EcoDrop Facility, place your bulbs of any size/shape (taped together) in your Blue Bags.
