$ $ $ SAVE ON YOUR TAXES $ $ $
Garbage/trash collection and disposal is a major cost item in the Village budget and has a significant effect on your Village taxes. The Village pays a tonnage fee to the Oneida County Solid Waste Authority for disposal of all solid waste materials.

NO FEES ARE CHARGED FOR RECYCLABLES

**HERE’S HOW IT WORKS**

★ All Recyclable Items Mix Together In One Bin For Collection ★

1. All recyclable items—paper, plastic, metal, and glass—need to be mixed together loosely in one container.

2. Recyclables must be placed in your designated recycling bin or a durable plastic or metal lidded container of your choice, under 35 gallons and not more than 50 pounds.

3. Lids and labels should be left on recyclable containers. Containers should be empty and rinsed before recycling.

4. Do not place recyclables in plastic bags for collection. No string, no trash or green waste allowed.
