Oneida-Herkimer Solid Waste Authority Employees Elected to NYSAR³ Board of Directors

The New York State Association for Reduction, Reuse and Recycling (NYSAR³) has elected two Oneida-Herkimer Solid Waste Authority (Authority) employees to serve on the NY SAR³ Board of Directors.

Authority Director of Recycling David Lupinski has been elected as the 2013 – 2014 President of the 300-member State Association, and Authority School Recycling Coordinator Jamie Tuttle has been elected as the Association's member at large.

NYSAR³ is a professional recyclers' association, whose primary purpose is to improve and develop the skills, capabilities and resources of waste reduction, reuse and recycling practitioners across New York State. NY SAR³ provides statewide leadership on waste reduction, reuse and recycling issues to improve the environment. Membership is comprised of New York State counties, cities, towns, villages, solid waste authorities/communities, state agencies, non and not-for profit agencies, for profit business, communities and other groups and individuals.
