VILLAGE ATTORNEY

Mark R. Rose

Dear Village of Ilion Resident,

Beginning in April, the village enters into a new waste and recyclables collection contract. The new contract will be with our current contractor Spohn's Disposal. I am very pleased to announce that as part of the new contract all properties will receive a recycling cart regardless of whether they utilize Village bags or rent garbage carts. The goal of the new program is to increase recycling and make collection more efficient in the Village of Ilion. Through recycling, we are able to conserve landfill space, raw materials and energy. Through the use of the new recycling carts, we can reduce litter and help beautify the Village.

Starting in April 2018, all households in the village will receive a cart for **recyclables**. Distribution of the new carts will take place at the end of March. The carts are property of Spohn Disposal and are not to be transferred to another location. All recyclable items must be placed loosely, with no plastic bags, string or twine, inside the new recycling cart with lid closed to be eligible for weekly pick-up. Recyclables placed outside of the recycling cart will not be picked up. **Do not place garbage/trash in the recycling carts.**

Remember to mix all recyclables (paper, plastic, metal and glass) in your new cart labeled "RECYCLING". Each recycling cart is clearly labeled depicting acceptable recyclable items. Recyclable items must be placed in your recycling cart loosely, **with no plastic bags, string or twine.** Cardboard boxes must be cut into smaller pieces so that they fit loosely inside the cart.

On the reverse side of this letter is information that will guide you and your family through the new recycling and trash collection process. Also included are the updated Village of Ilion Solid Waste and Recycling Guidelines. Please keep the information handy as it contains answers to frequently asked questions, telephone numbers and website information.

Additionally, as part of our new collection contract, multi-unit properties (two family or greater) will be allowed to set out an additional bulk item per week.

Thank you in advance for your assistance with this new recycling initiative.

Sincerely,

Terry A. Leonard
