SOLID WASTE & RECYCLING COLLECTION

Beginning January 1, 2015, the New York State Electronic Equipment Recycling and Reuse Act will prohibit all households and generators of electronic waste from disposing of electronic waste such as computers, computer peripherals, televisions and other electronic devices as garbage.

However, City of Utica residents will be permitted to set out electronic waste at the curb as their weekly bulk item. There is a limit of one (1) bulk item per week, per building. Bulk items that are electronic waste will be collected for proper recycling.

ELECTRONIC WASTE CANNOT BE PLACED IN YOUR CURBSIDE RECYCLING CONTAINER.

Residents may also deliver electronic waste to the Oneida-Herkimer Solid Waste Authority's Residential Convenience Station located at 80 Leland Avenue in Utica Monday-Friday from 8:00 am - 4:00 pm and Saturday from 7:00 am - 2:00 pm. Acceptable electronics may be delivered to the Authority's Utica facility year-round, free of charge.

As of January 1st, these items can no longer be placed in your trash.

**ONE BIN
NO BAGS**
EASIER. MORE CONVENIENT. LESS COST.
**MIX ALL YOUR
RECYCLABLES TOGETHER**

HERE'S HOW IT WORKS

★ All Recyclable Items Mix Together In One Bin For Collection ★

1. All recyclable items—paper, plastic, metal, and glass—need to be mixed together loosely in one container.
2. Recyclables must be placed in your orange recycling bin or a durable plastic or metal lidded container of your choice, under 35 gallons and not more than 50 pounds. RecycleOne bin decals must be placed on the container of your choice and can be obtained from the Authority's Main Office (1600 Genesee Street, Utica, NY).
3. Lids and labels should be left on recyclable containers. Containers should be empty and rinsed before recycling.
4. Do not place recyclables in plastic bags for collection. No string, trash or green waste allowed.
5. Cardboard boxes must be empty (packaging removed) and flattened/broken down before recycling.
