

Recycling Education Resources

The Oneida-Herkimer Solid Waste Authority has the following resources available for **FREE** for school districts in Oneida and Herkimer Counties:

- Presentations on garbage and recycling, composting, waste reduction, sustainability and other related topics
- Tours of the Oneida-Herkimer Recycling Center
- Green Team set up and support
- Educational items such as posters and brochures
- Classroom and hallway recycling bins
- Waste audits and waste hauler contract reviews
- Interactive websites for students and teachers at www.ourgreenteam.org and www.hellobinny.com
- Visits from the Authority's mascot, Binny
- Spring and fall classroom/school challenges

This is not an exhaustive list of what the Authority is able to offer. Presentations and educational materials can be customized to better fit your school and it's waste stream needs. **Contact Authority Recycling Coordinator Eileen Brinck at eileenb@ohswa.org for more information!**
