Weekly Recyclable Collection

Collected Wednesday Night at curb by
10:00 PM

Refer to your Oneida Herkimer Recyclable Flyer for listing of
recyclable products.

Green Waste : May 16th – September 30th

Collected Wednesday at curb by 7:00 am

- ✚ Leaves, grass clippings, and hedge clippings must be in metal or plastic cans.
- ✚ No plastic bags allowed.
- ✚ Limbs must be tied in bundles no more than 6 foot in length and 18 inches in diameter. Pile limbs parallel with curb to minimize lawn damage during collection.
- ✚ Individual limbs not to exceed 6 foot long or 12 inch in diameter.
- ✚ No stumps allowed.
- ✚ Do not pile in roadway.
- ✚ Tree removal contractors must remove their waste.

Green Waste : April 1st – May 15th

&

October 1st – November 15th

- ✚ Due to the large volume of green waste during this period, no specific collection day can be given.
- ✚ Each street collected once weekly.
- ✚ Loose leaves will be collected between the sidewalk and the curb.
- ✚ No leaves in plastic bags.
- ✚ If you prefer to contain waste, use cans only.
- ✚ Brush and vegetation will be collected but must be kept separate from leaf piles.
- ✚ Do not pile material in roadway.

Please follow limb set out guideline as detailed in
May 16th – September 30th description.

- ✚ Open from 8:00am – 12:00pm.
- ✚ Categories accepted: B, C, D, E

For Village residents to bring categories listed to DPW
garage for disposal. An attendant will be present to aid
loading and verify proof of residency.

Disposal Option # 3 Village Dumpster Rental

You may rent a dumpster delivered to your residence for
large cleaning jobs or homeowner remodeling projects for
these wastes: green waste, construction debris, sanitary
waste, and hardfill. This service is for residential use only
to supplement our regular schedule and to provide a fair
method to pay for the disposal cost of large quantities of
waste. Call the DPW for the current price schedule.

Disposal Option # 4: Private Waste Hauler

This option should be used for large amounts of waste,
contractor waste, or if you need multiple dumpsters. Check
phone book for listings.

Household Hazardous Waste Disposal

The Oneida Herkimer Solid Waste Authority provides a drop off site for county residents to dispose of household hazardous wastes per Authority schedule, policy and volume limits. Some examples of these wastes are: motor oil, antifreeze, gasoline, auto batteries, empty propane cylinders, paint, thinners and solvents, pool chemicals, herbicides, pesticides, and glues. Watch for detailed flyers or call the Authority at 315-733-1224 for more information.

This flyer pertains to Village of New Hartford Residents Only

It is an overview of the collection schedule for our solid waste code and is not intended to be inclusive of all sections of the code. This schedule may be subject to change.

It is a violation of county and local ordinance to transport waste from one residence to another in an attempt to avoid paying for your own waste. Violation of an ordinance results in the issuance of a ticket, court date, and fines per local laws.

To the Village Residents:

The enclosed material is provided for your information regarding our policy for waste removal. Please review this information so that you are familiar with our total program and the days of the month on which collections and services are available. Following these guidelines will ensure that waste does not go unattended at the curb and will enhance the overall beauty of our Village. Your Village Board and Department of Public Works believes this plan is not only the most cost effective, but the most reasonable method for complying with state and county mandates for waste removal.

This policy will only be as effective as your response and cooperation and will ensure the continuation of these municipal collections.

Sincerely,

Donald J. Ryan
Mayor

ONE AND DONE

ONE BIN | MIX ALL
NO BAGS | RECYCLABLES
EASIER. MORE CONVENIENT. LESS COST. | TOGETHER

HERE'S HOW IT WORKS

★ All Recyclable Items Mix Together In One Bin For Collection ★

1. All recyclable items—paper, plastic, metal and glass—need to be mixed together loosely in one container.
2. Recyclables must be placed in an approved container no less than 10 gallons, not more than 35 gallons.
3. Lids and labels should be left on recyclable containers. Containers should be empty and rinsed before recycling.
4. Do not place recyclables in plastic bags for collection. No string, trash or green waste allowed.
5. Cardboard boxes must be empty (packaging removed) and flattened/broken down before recycling.
