♻️ Important Guidelines

- 🕖 **Place garbage out by 7:00 a.m.** on your pickup day.
- 🚮 **Use clear garbage bags only.** Opaque bags will not be collected.
- ♻️ **Recyclables must be separated** from garbage and placed **bag-less** in a **bin with a recycling decal**.
    - Decals are available at the Information Center.
- 🛍️ **DO NOT recycle** plastic bags (e.g., grocery, dry cleaning), plastic wrap—**put these in the garbage**.
- 🎁 **Cardboard must be cut down to pieces no larger than 3' x 3'.**
- 🛍️ If using a **solid wood garbage box**, place a **flag** (like a mailbox flag) to indicate pickup is needed.
- ❄️ **Keep access clear**: Snow removal from garbage boxes and dumpsters is your responsibility. If DPW workers can’t access it, it won’t be picked up.
